

# We are improving the network *from* **17 JULY UNTIL 7 AUGUST**

Essential track maintenance work will take place near to the Hyson Green tram stop. Some of our tracks have been in place for over 18 years and it is essential that we replace sections of the track to ensure the continued safe and smooth operation of Nottingham Trams.

**Overnight preparatory works will take place  
between 17 - 27 July.  
Between 27 July - 7 August, track  
replacement works will take place 24/7.**

Access for road users and pedestrians along Terrace Street will be maintained throughout the day, however road diversions will be in place from 7pm some evenings during the works to allow delivery access. Diversion signs will be in place.
